The Pottery Template Vault

100 print-ready templates with exact measurements and step-by-step instructions: butter dishes, mugs, teapots, bowls, vases and plates.

PRINT · CUT · CREATE

How to use the templates

1. Printing

- Print on A4 sheets in **landscape orientation**.
- In your printer settings, select **"Actual size" / 100%**. Never "Fit to page".
- Each sheet has a **15 × 15 mm control square**. Measure it with a ruler: if it does not match, adjust the scale and reprint.

2. Preparing templates

- Cut along the black line. For long-lasting templates, mount on cardstock or laminate.
- The **green dashed band** is a 10 mm seam/overlap allowance.
- The **green dotted line** is a rim or fold line.
- **Symmetry axis** — large plates are printed as a half: trace, flip the template, trace the other half.
- Each piece is labelled with its name, dimensions and quantity ("Cut 2").

3. Working with clay

- Roll slabs evenly: **5–6 mm** for mugs and vases, **6–7 mm** for plates. Use two equal-height guides for a consistent thickness.
- Place the template on the slab and cut with a sharp knife held straight.
- Joining: **score – apply slip – press together – smooth the seam**.
- Build walls **on top of the bottom**, not around it.
- Attach handles and spouts when the clay is leather-hard.

4. Shrinkage

Clay shrinks approximately **10–13%** during drying and firing (depends on the clay body). Template measurements are for the **greenware** (wet) piece. To end up with a finished piece at the stated size, print at **110–115% scale**.

Butter Dishes

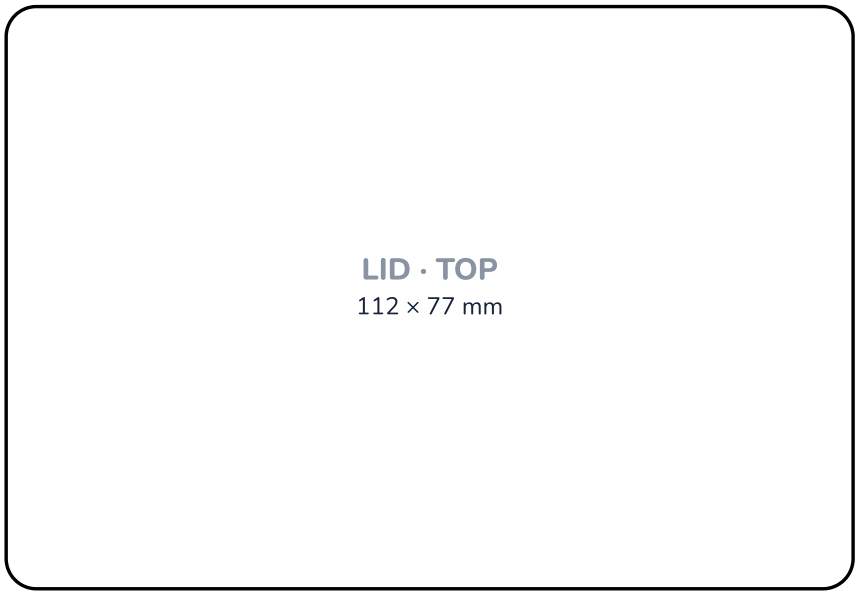

Templates #1–12 · 12 templates

Rectangular, round and French butter dishes: tray, lid and handles.

Template #1 · Classic Butter Dish 200 g

Butter Dishes · Rectangular lid for a standard 200 g butter block · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

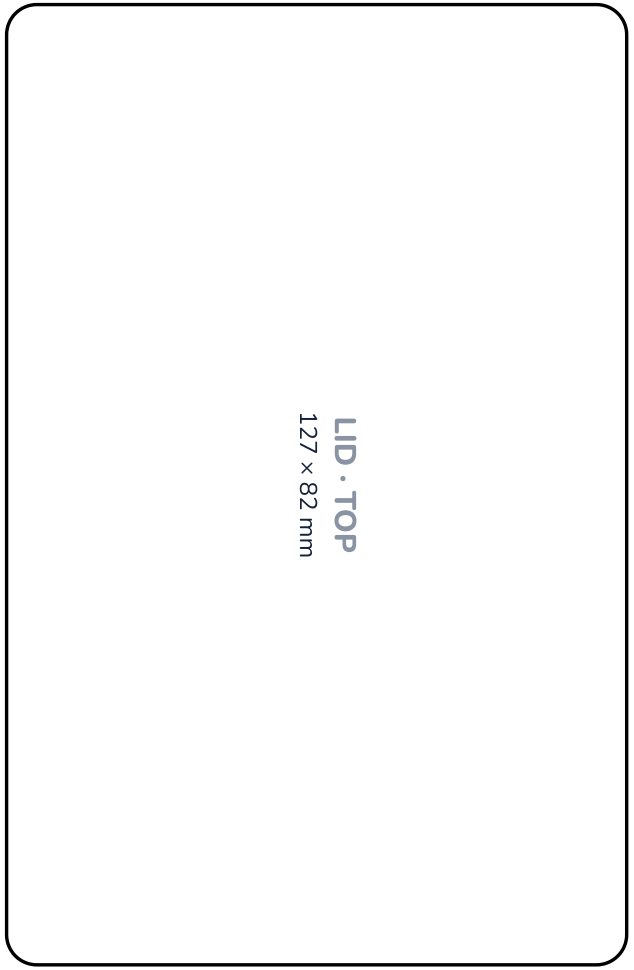

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #2 · Classic Butter Dish 250 g

Butter Dishes · Slightly larger, for a 250 g block · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

LID · SHORT WALL

70 × 48 mm

fits between long walls

Iškirpk 2 vnt.

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

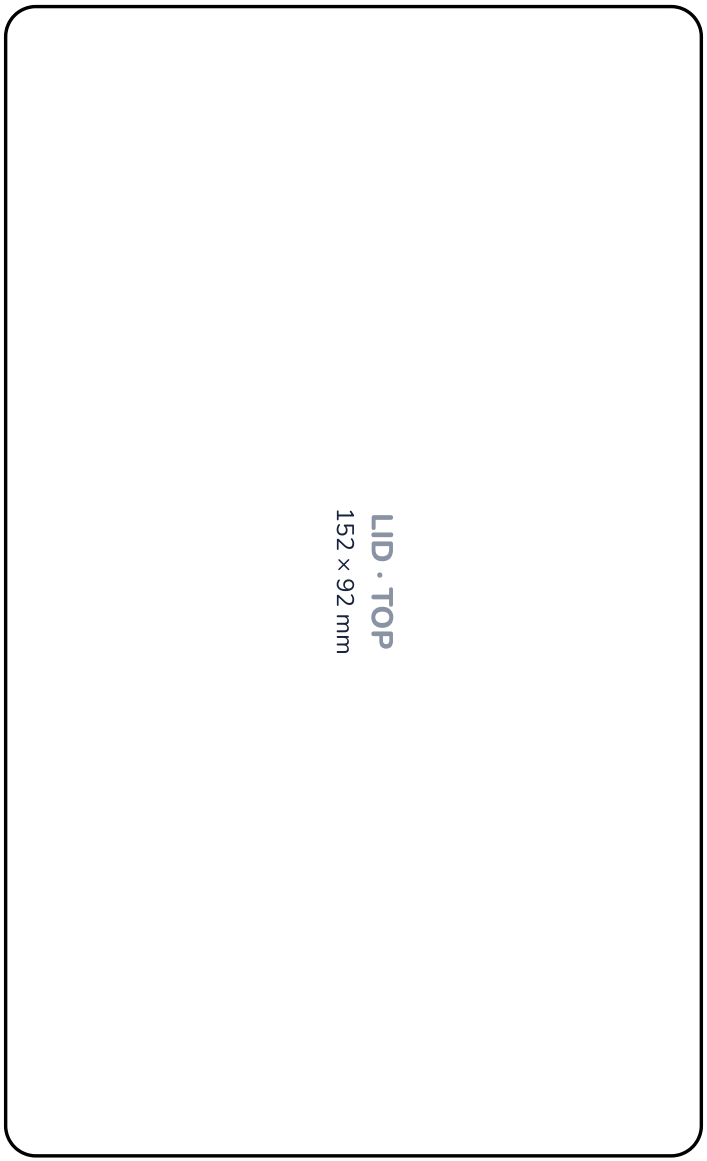

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #3 · Large Butter Dish 500 g

Butter Dishes · For two blocks or family use · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

LID · LONG WALL

152 × 55 mm

Iškirpk 2 vnt.

LID · SHORT WALL

80 × 55 mm

fits between long walls

Iškirpk 2 vnt.

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

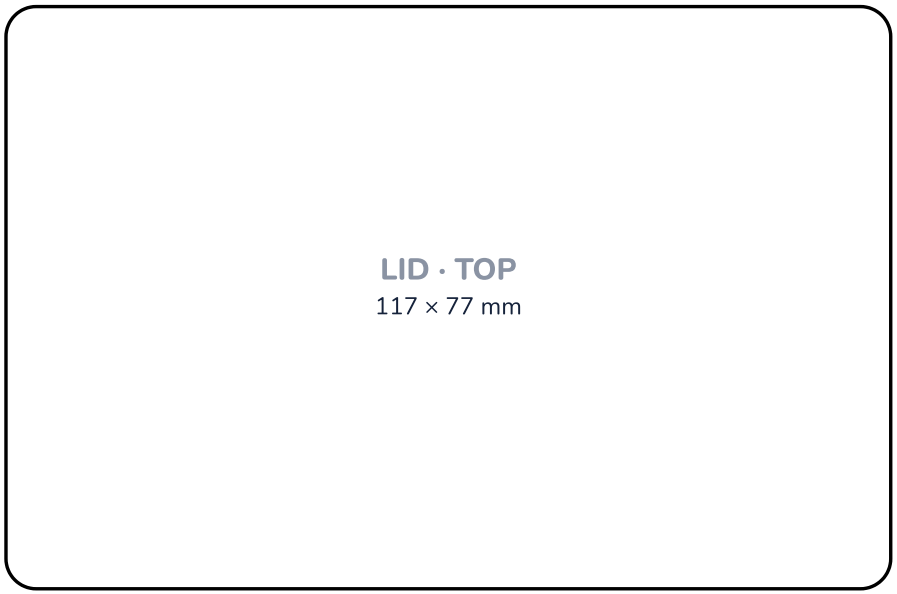

4. Fit the lid to the base while clay is leather-hard.

15 × 15
check

Template #4 · Low-Profile Butter Dish

Butter Dishes · Flat, modern lid · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

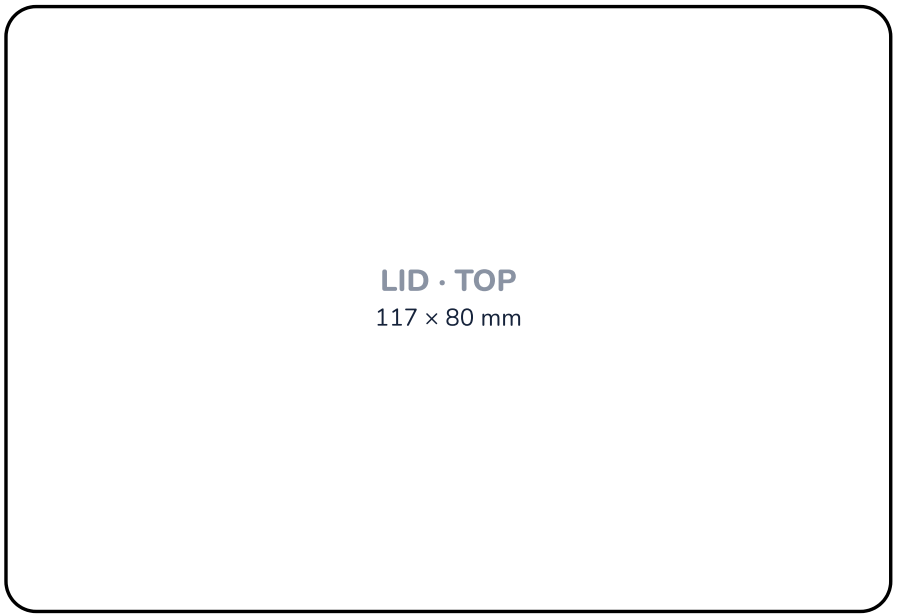

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #5 · Butter Dish with Knob

Butter Dishes · Lid with a round knob on top · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

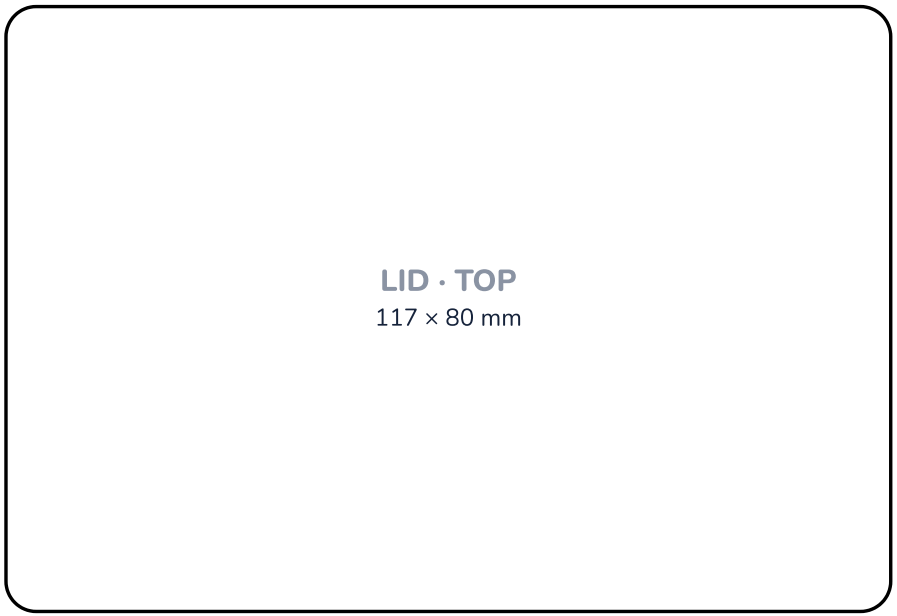

4. Fit the lid to the base while clay is leather-hard.

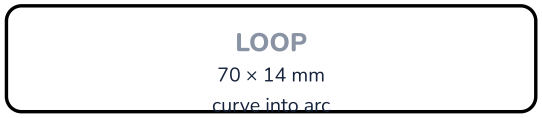

15 × 15 check

Template #6 · Butter Dish with Loop Handle

Butter Dishes · Lid with an arched loop · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

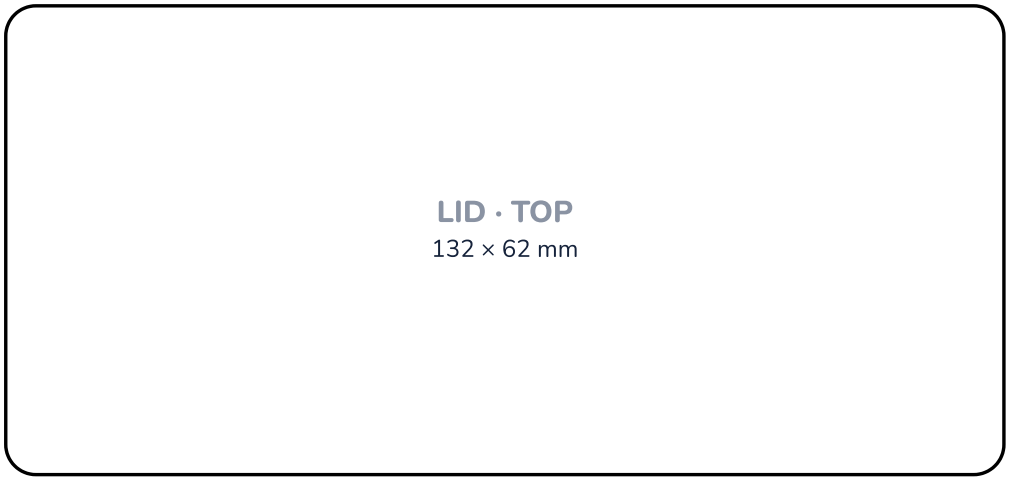

15 × 15 check

Template #7 · Narrow Butter Dish

Butter Dishes · Narrow, fits on fridge door shelf · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

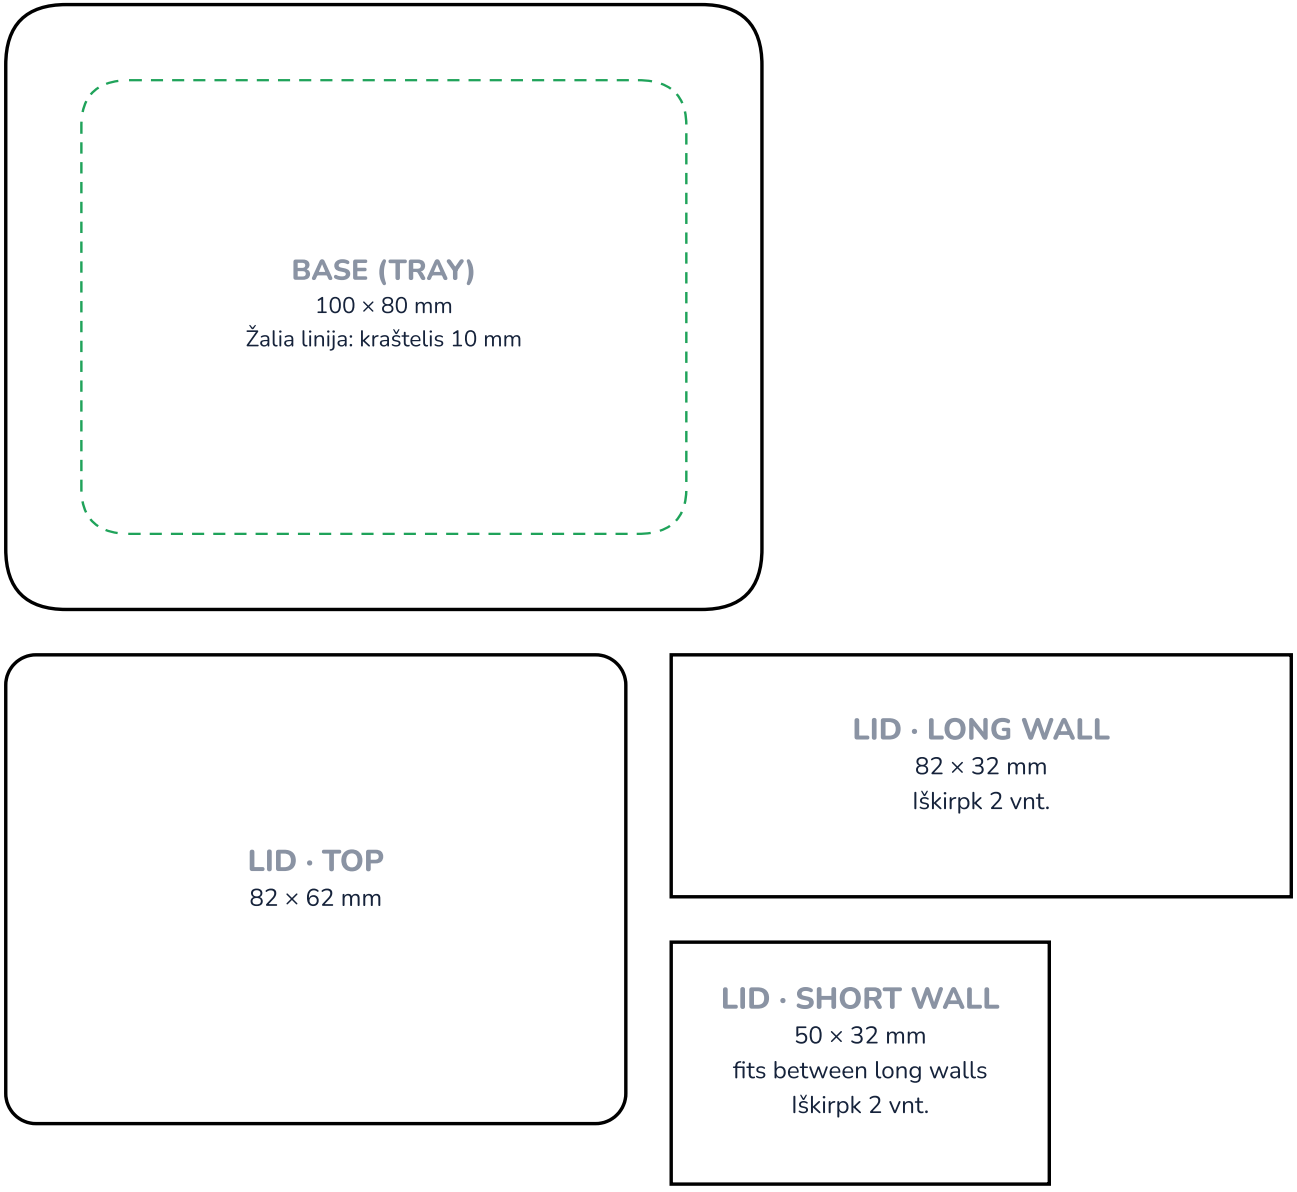

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #8 · Mini Butter Dish (single portion)

Butter Dishes · Small dish for one serving · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

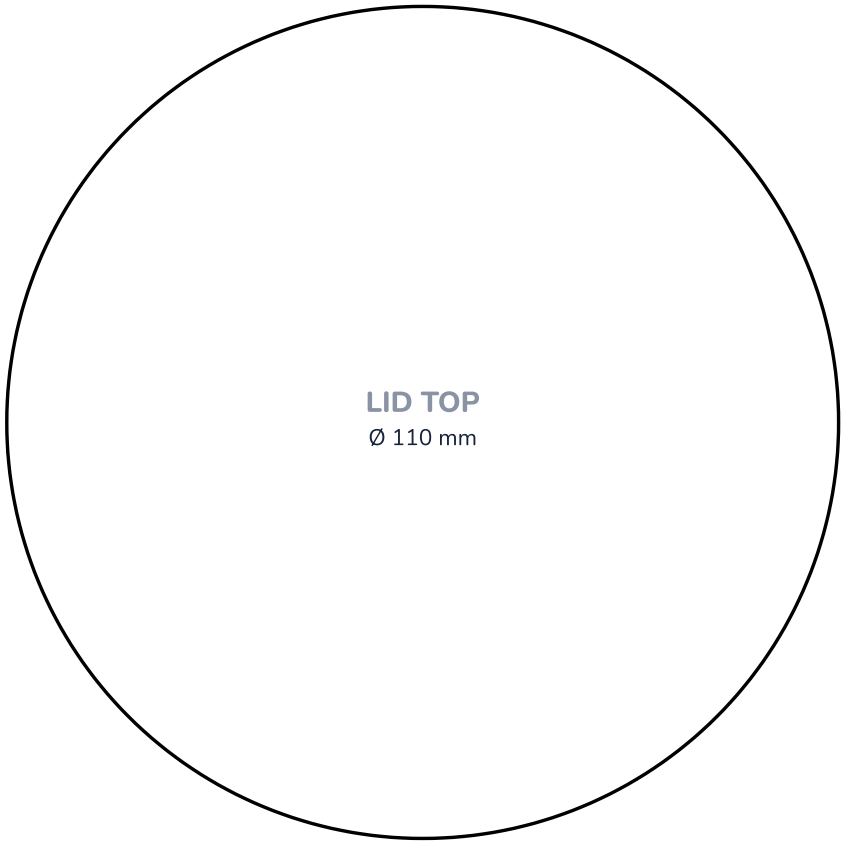

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #9 · Round Butter Dish Ø110

Butter Dishes · Round lid and tray · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

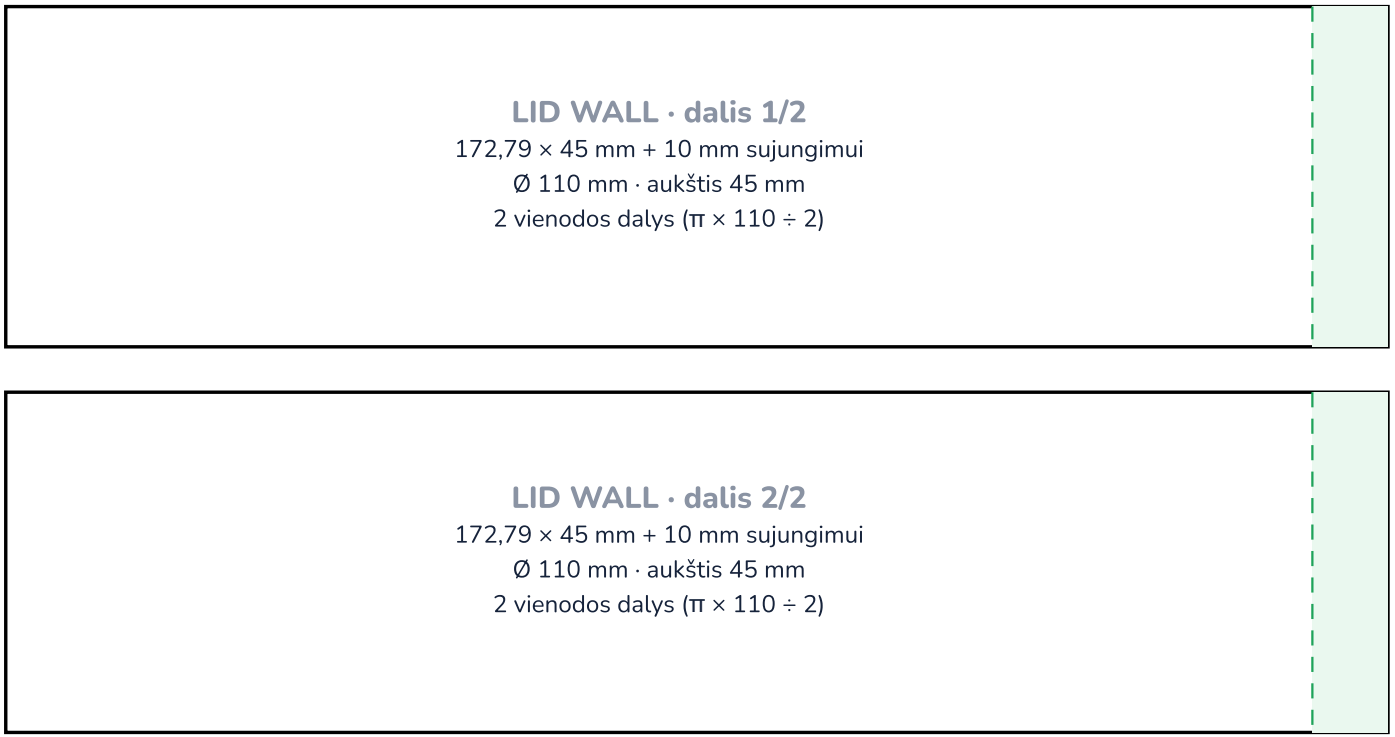

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #9 · Round Butter Dish Ø110

Butter Dishes · sheet 2/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

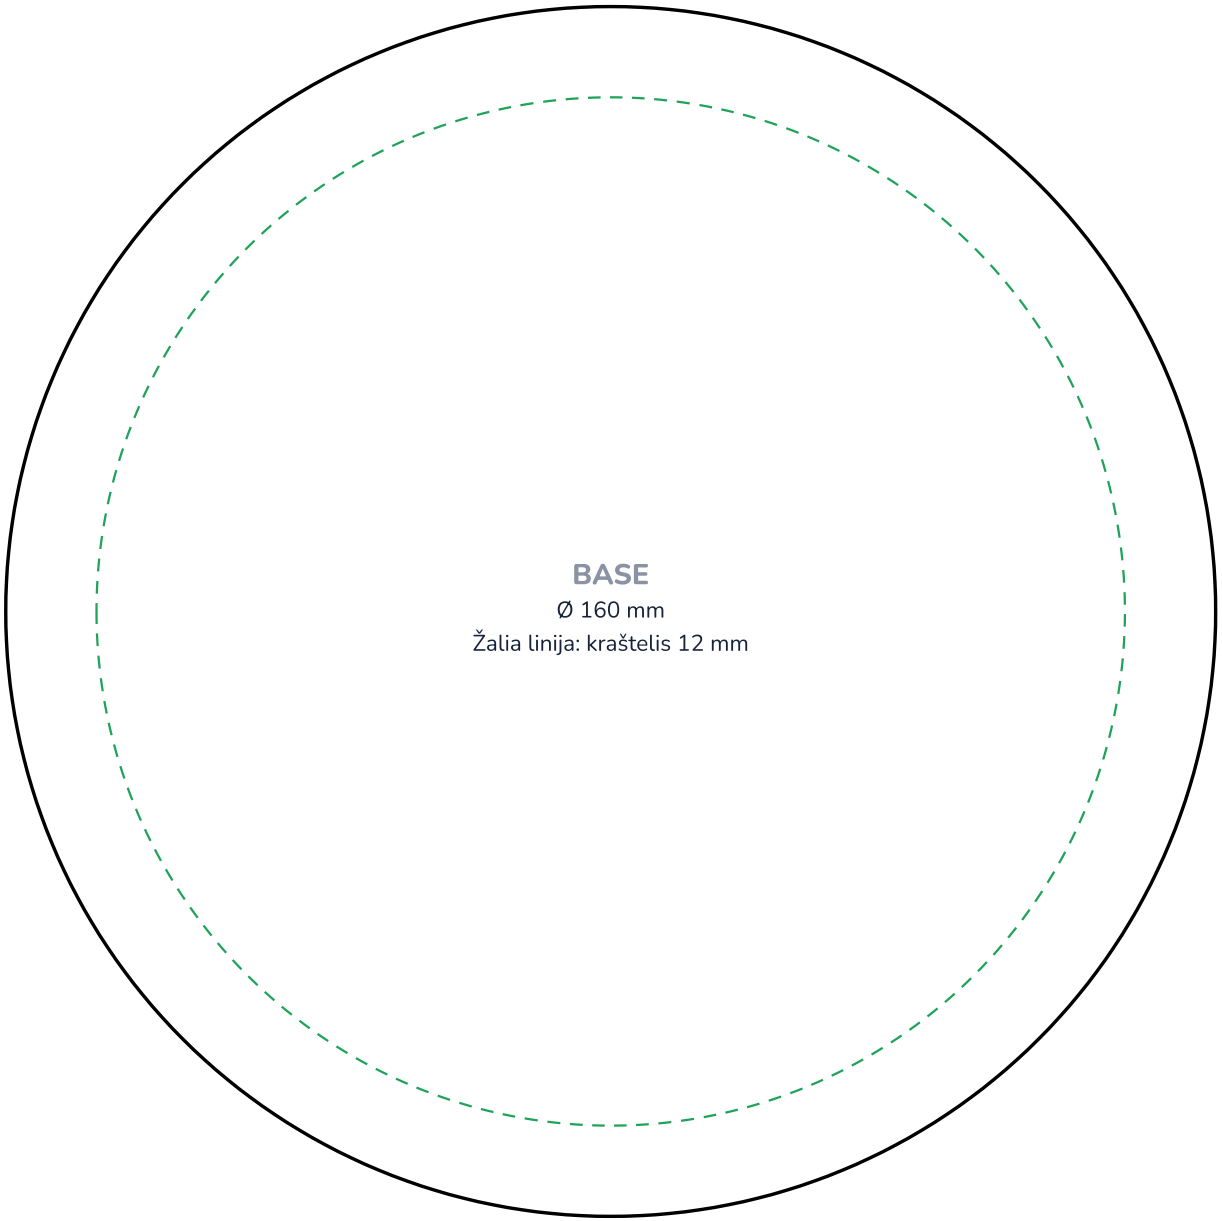

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #10 · Round Butter Dish Ø130

Butter Dishes · Larger round version · sheet 1/3 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

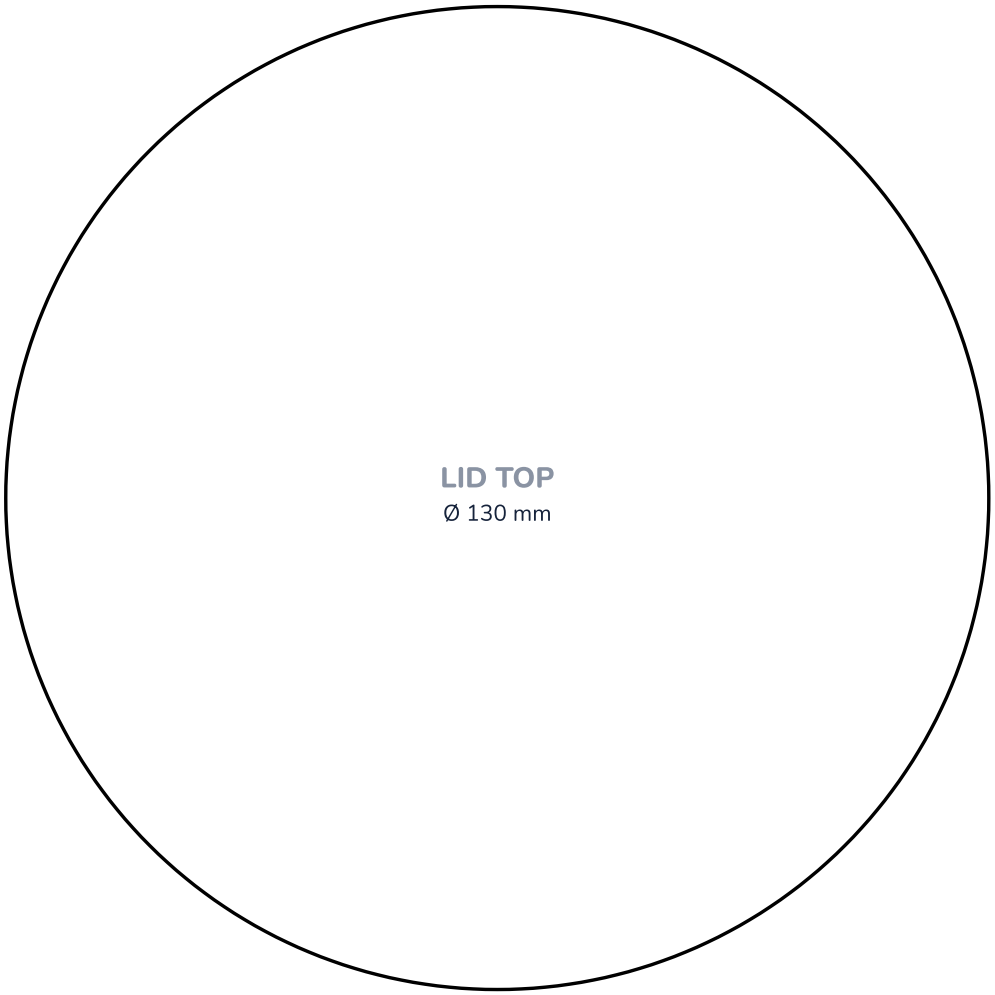

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15
check

Template #10 · Round Butter Dish Ø130

Butter Dishes · sheet 2/3 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15
check

Template #10 · Round Butter Dish Ø130

Butter Dishes · sheet 3/3 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

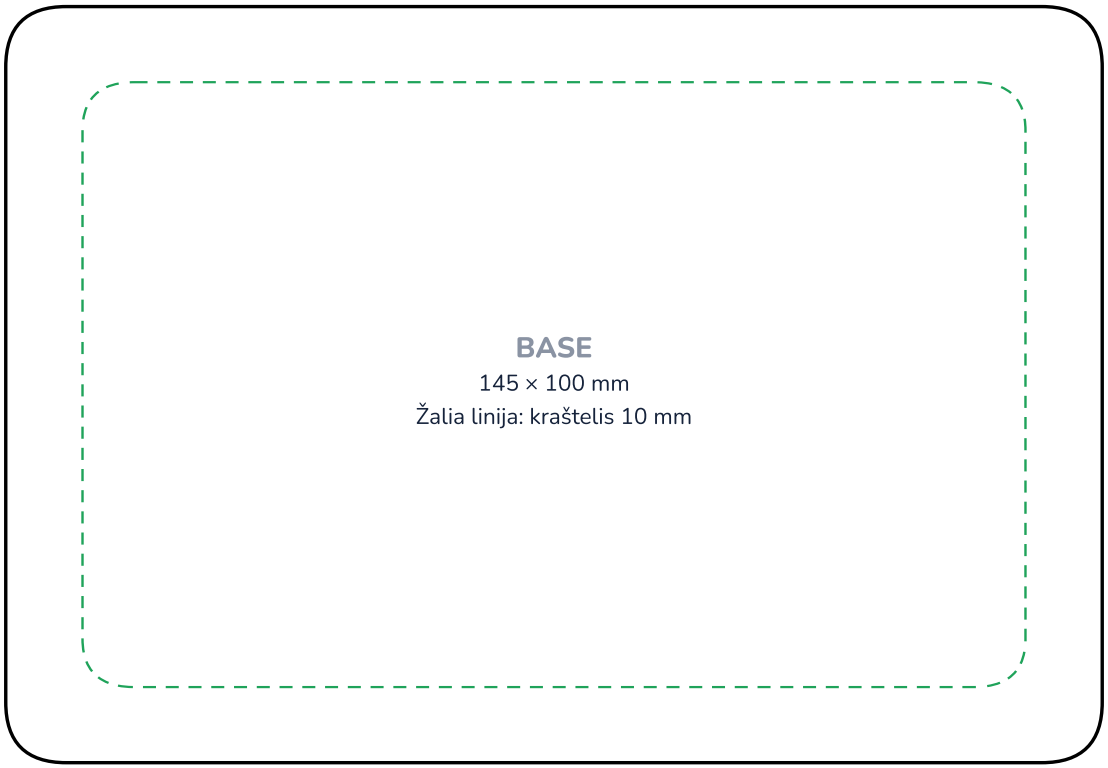

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #11 · Butter Dish with Tapered Lid

Butter Dishes · Lid tapers toward the top · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

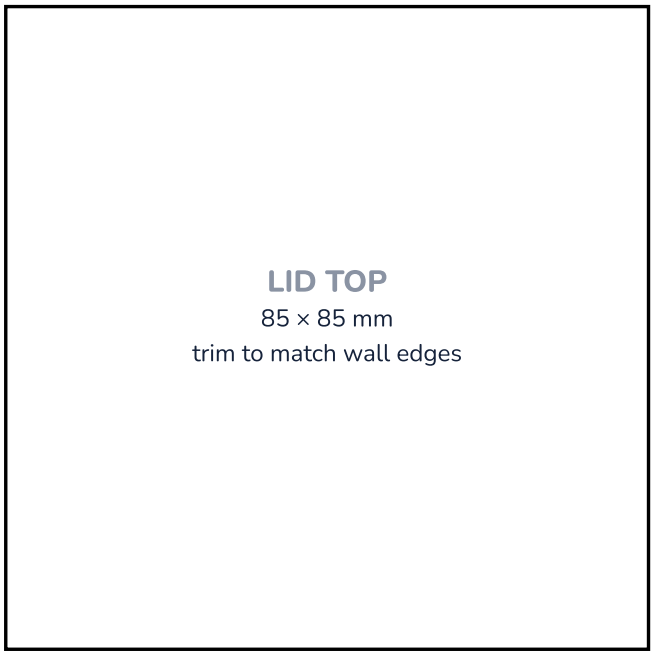

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15
check

Template #11 · Butter Dish with Tapered Lid

Butter Dishes · sheet 2/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

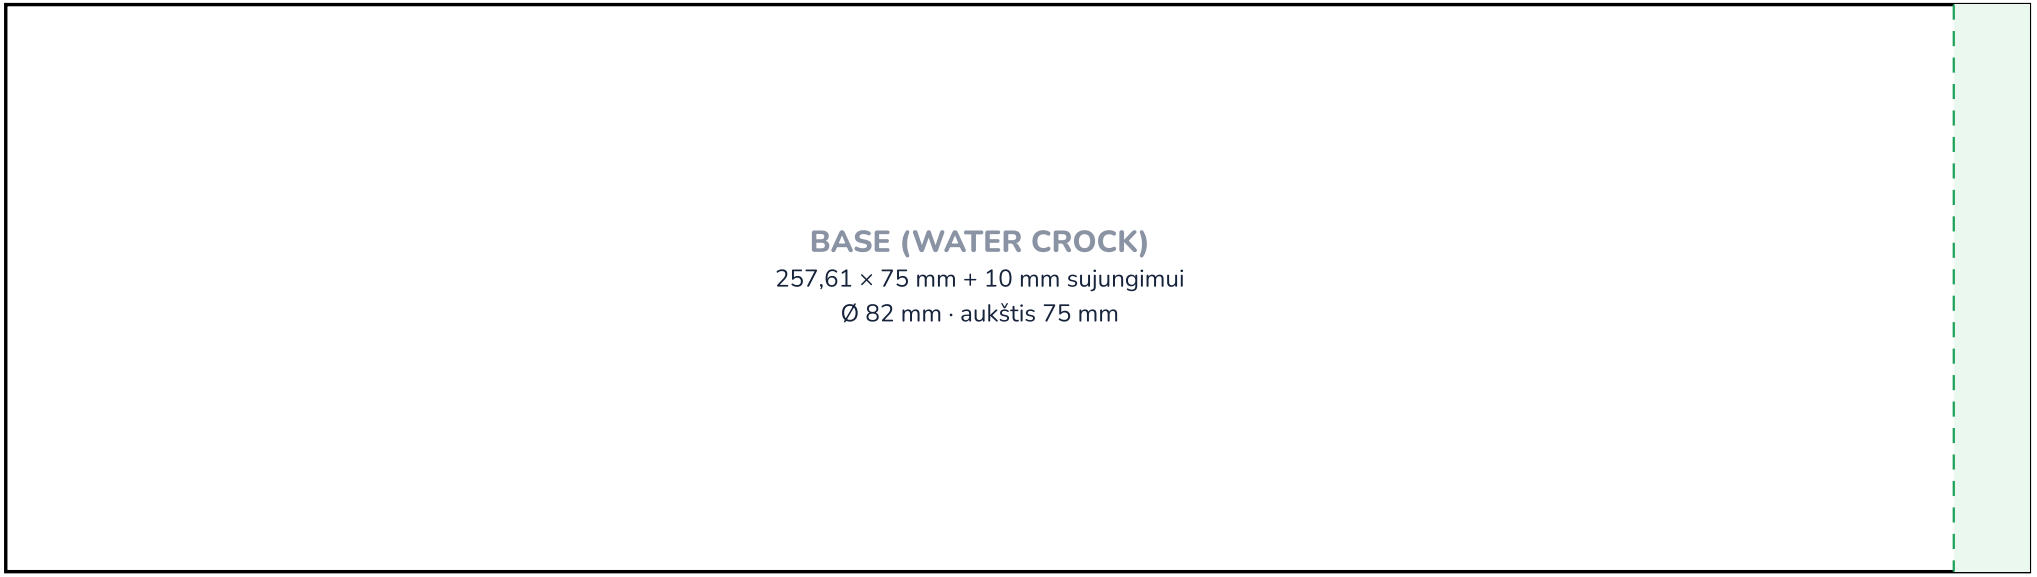

3. Score and slip the edges; join and smooth all seams.

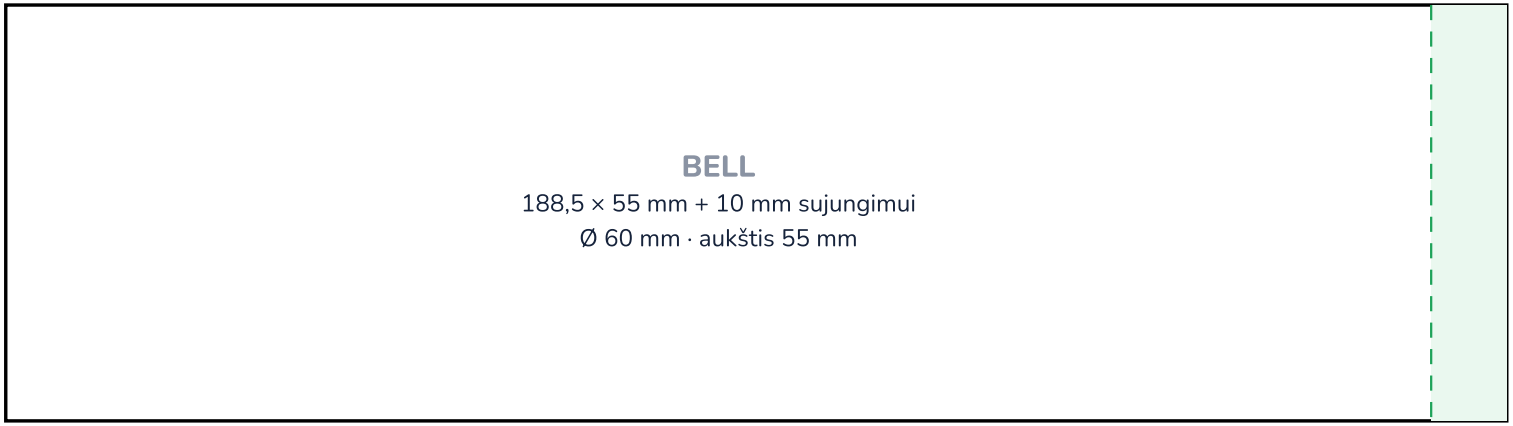

4. Fit the lid to the base while clay is leather-hard.

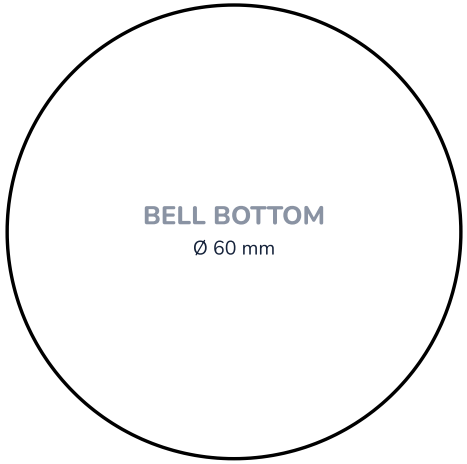

15 × 15
check

Template #12 · French Butter Dish

Butter Dishes · Butter kept in bell; small water in base prevents air contact · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

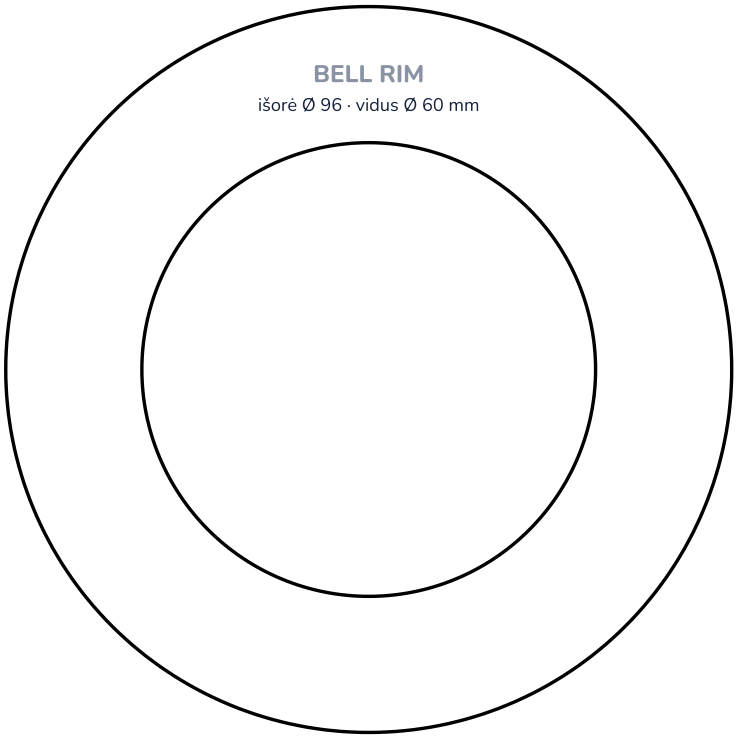

3. Score and slip the edges; join and smooth all seams.

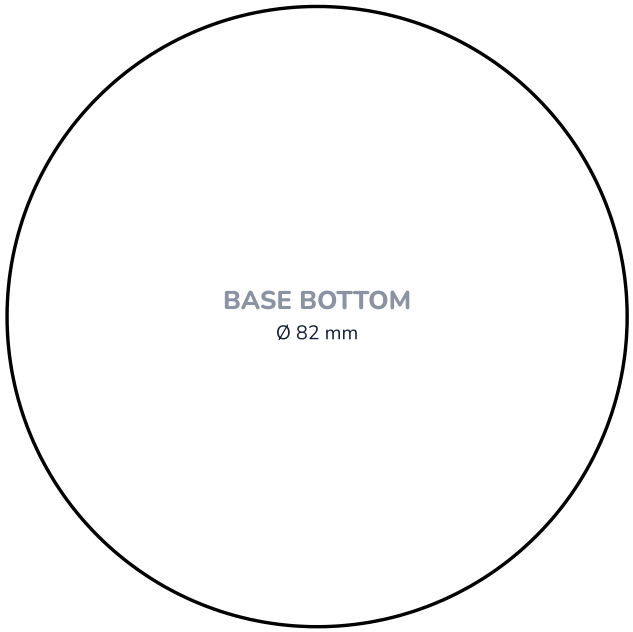

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

Template #12 · French Butter Dish

Butter Dishes · sheet 2/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut all pieces following the templates.

3. Score and slip the edges; join and smooth all seams.

4. Fit the lid to the base while clay is leather-hard.

15 × 15 check

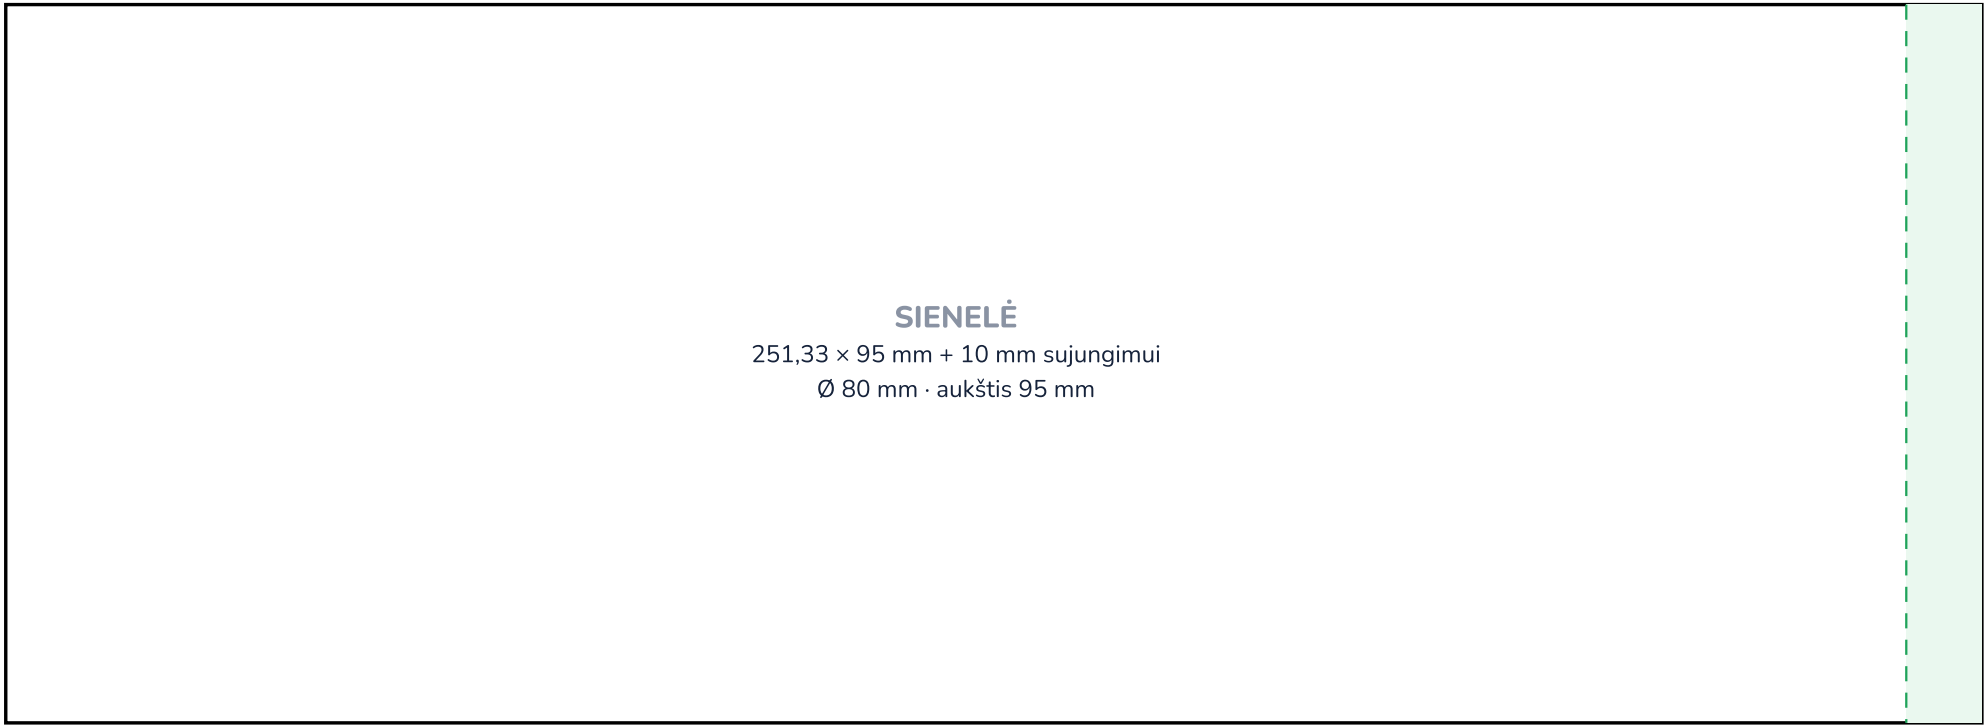

Mugs

Templates #13–30 · 18 templates

Straight, tapered, square and hexagonal mugs, tumblers and a handle set.

Template #13 · Straight-Wall Mug

Mugs · Classic everyday mug · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

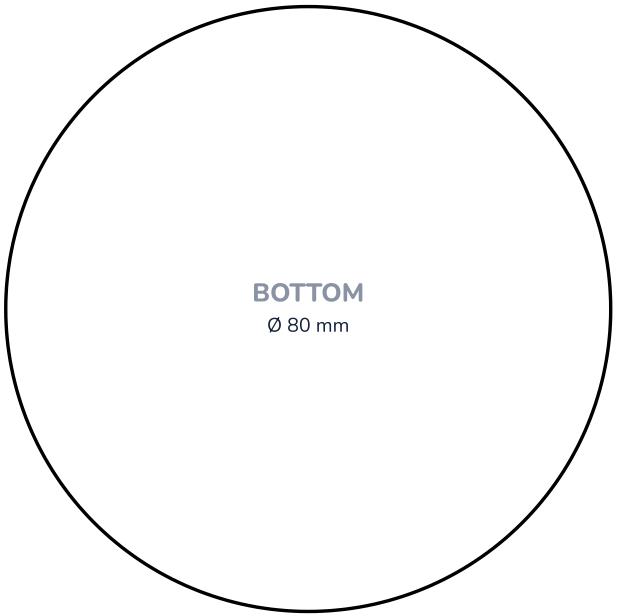

3. Score the join, curl the wall and attach; smooth the seam.

4. Set the wall onto the bottom; attach the handle when leather-hard.

15 × 15 check

Template #13 · Straight-Wall Mug

Mugs · sheet 2/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

3. Score the join, curl the wall and attach; smooth the seam.

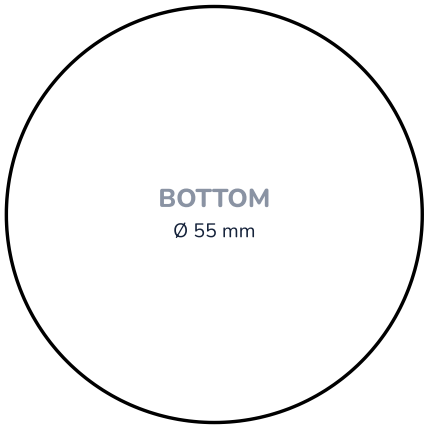

4. Set the wall onto the bottom; attach the handle when leather-hard.

15 × 15 check

Template #14 · Espresso Cup

Mugs · Small shot cup · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

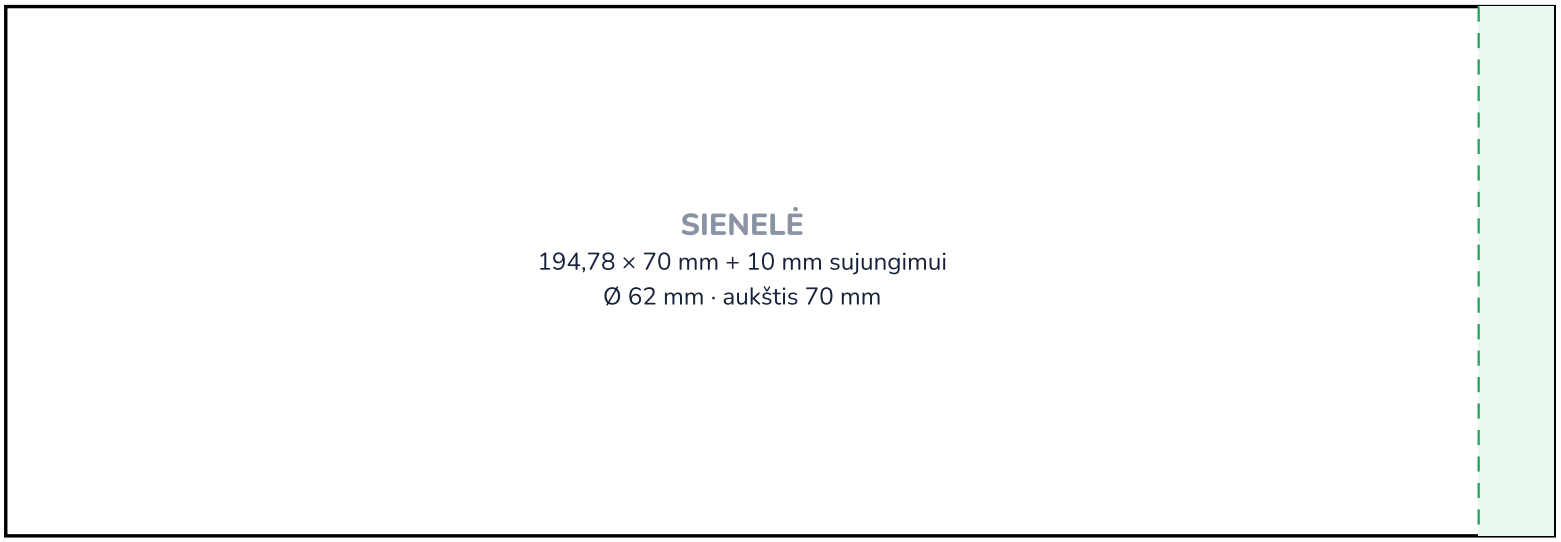

3. Score the join, curl the wall and attach; smooth the seam.

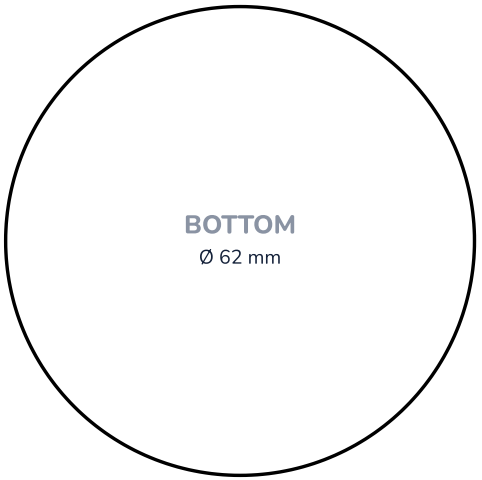

4. Set the wall onto the bottom; attach the handle when leather-hard.

15 × 15 check

Template #15 · Double Espresso Cup

Mugs · Slightly larger than espresso · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

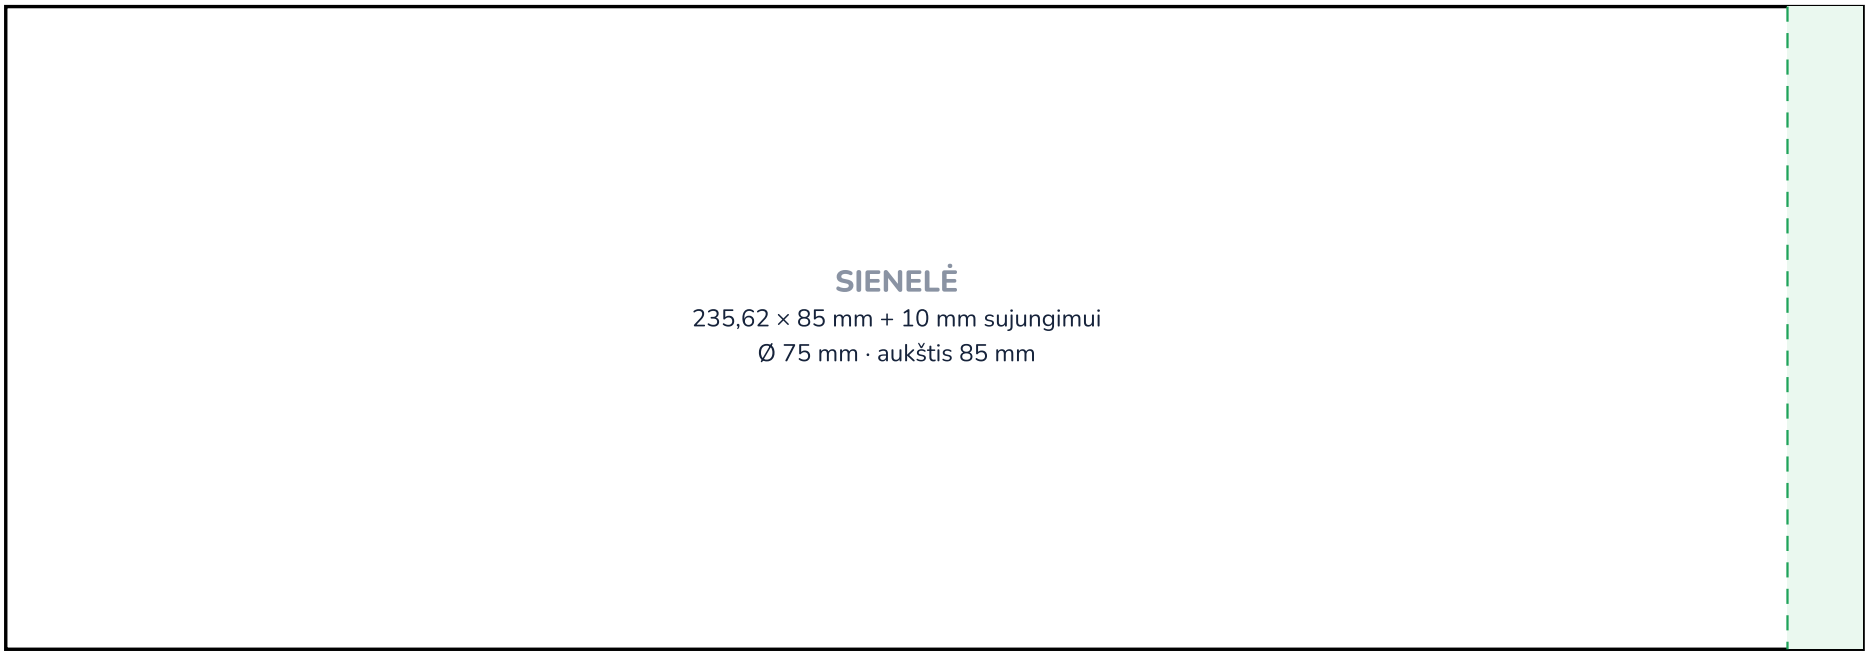

3. Score the join, curl the wall and attach; smooth the seam.

4. Set the wall onto the bottom; attach the handle when leather-hard.

15 × 15 check

Template #16 · Coffee Mug

Mugs · Medium mug for coffee · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

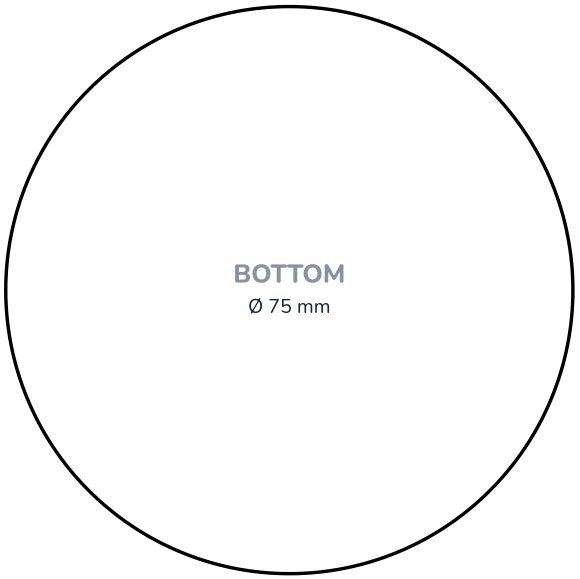

3. Score the join, curl the wall and attach; smooth the seam.

4. Set the wall onto the bottom; attach the handle when leather-hard.

15 × 15 check

Template #16 · Coffee Mug

Mugs · sheet 2/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

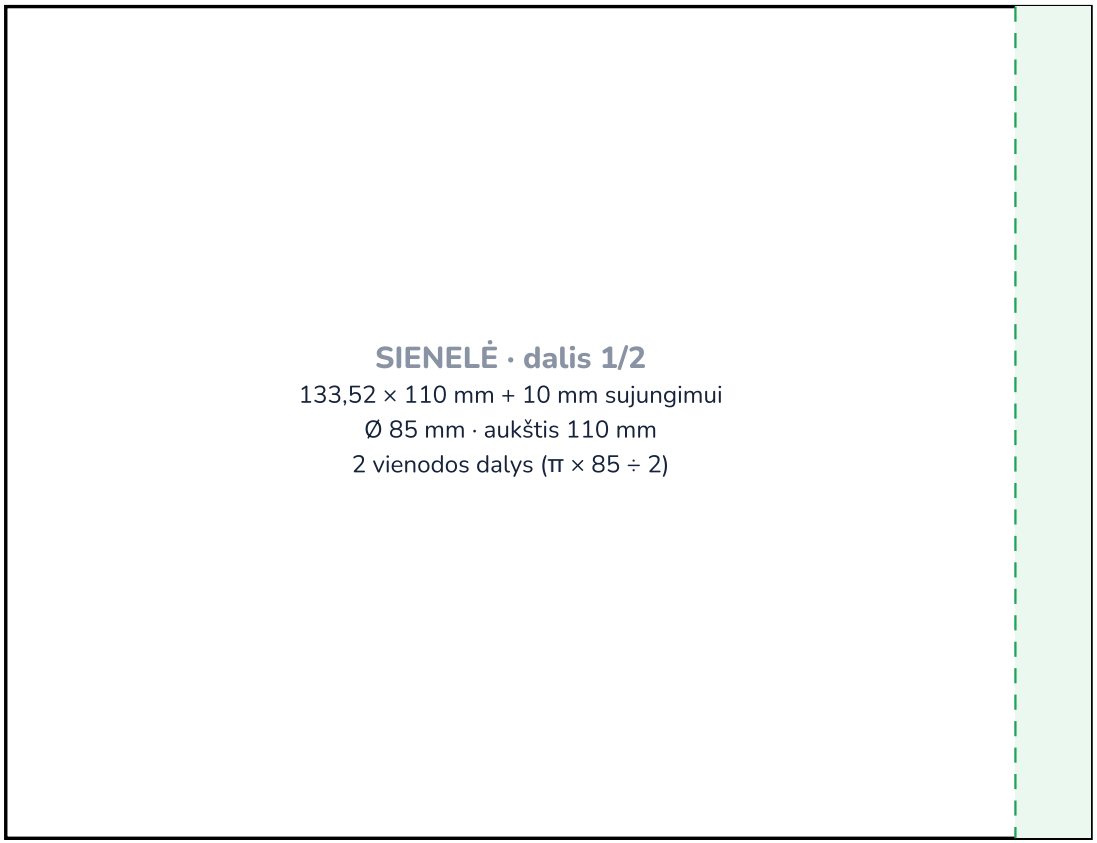

3. Score the join, curl the wall and attach; smooth the seam.

4. Set the wall onto the bottom; attach the handle when leather-hard.

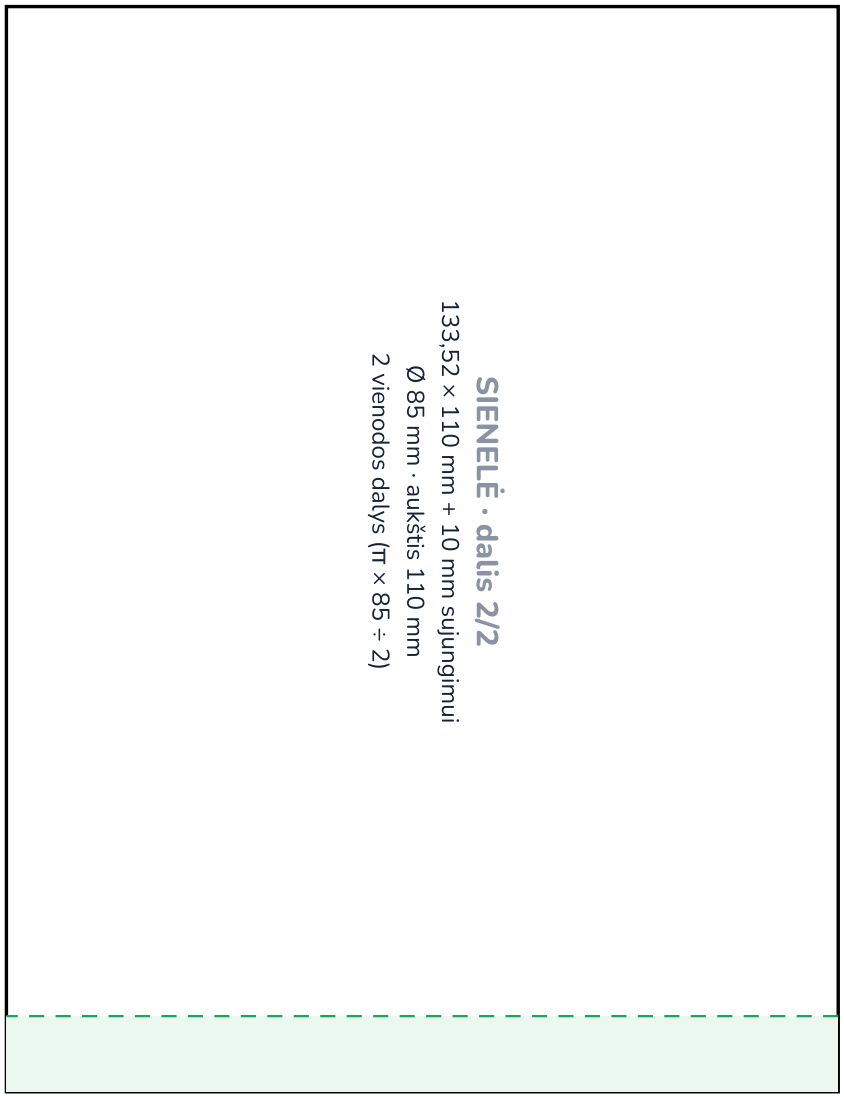

15 × 15 check

Template #17 · Large Mug

Mugs · Big mug for tea or cocoa · sheet 1/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

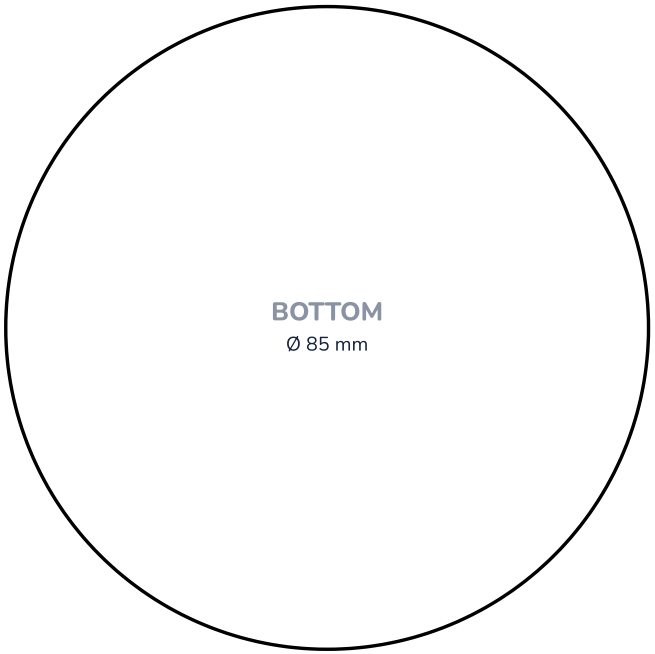

3. Score the join, curl the wall and attach; smooth the seam.

4. Set the wall onto the bottom; attach the handle when leather-hard.

15 × 15 check

Template #17 · Large Mug

Mugs · sheet 2/2 · print at 100% scale (no "fit to page") · A4 landscape

1. Roll a 5–6 mm clay slab.

2. Cut the wall, bottom and handle.

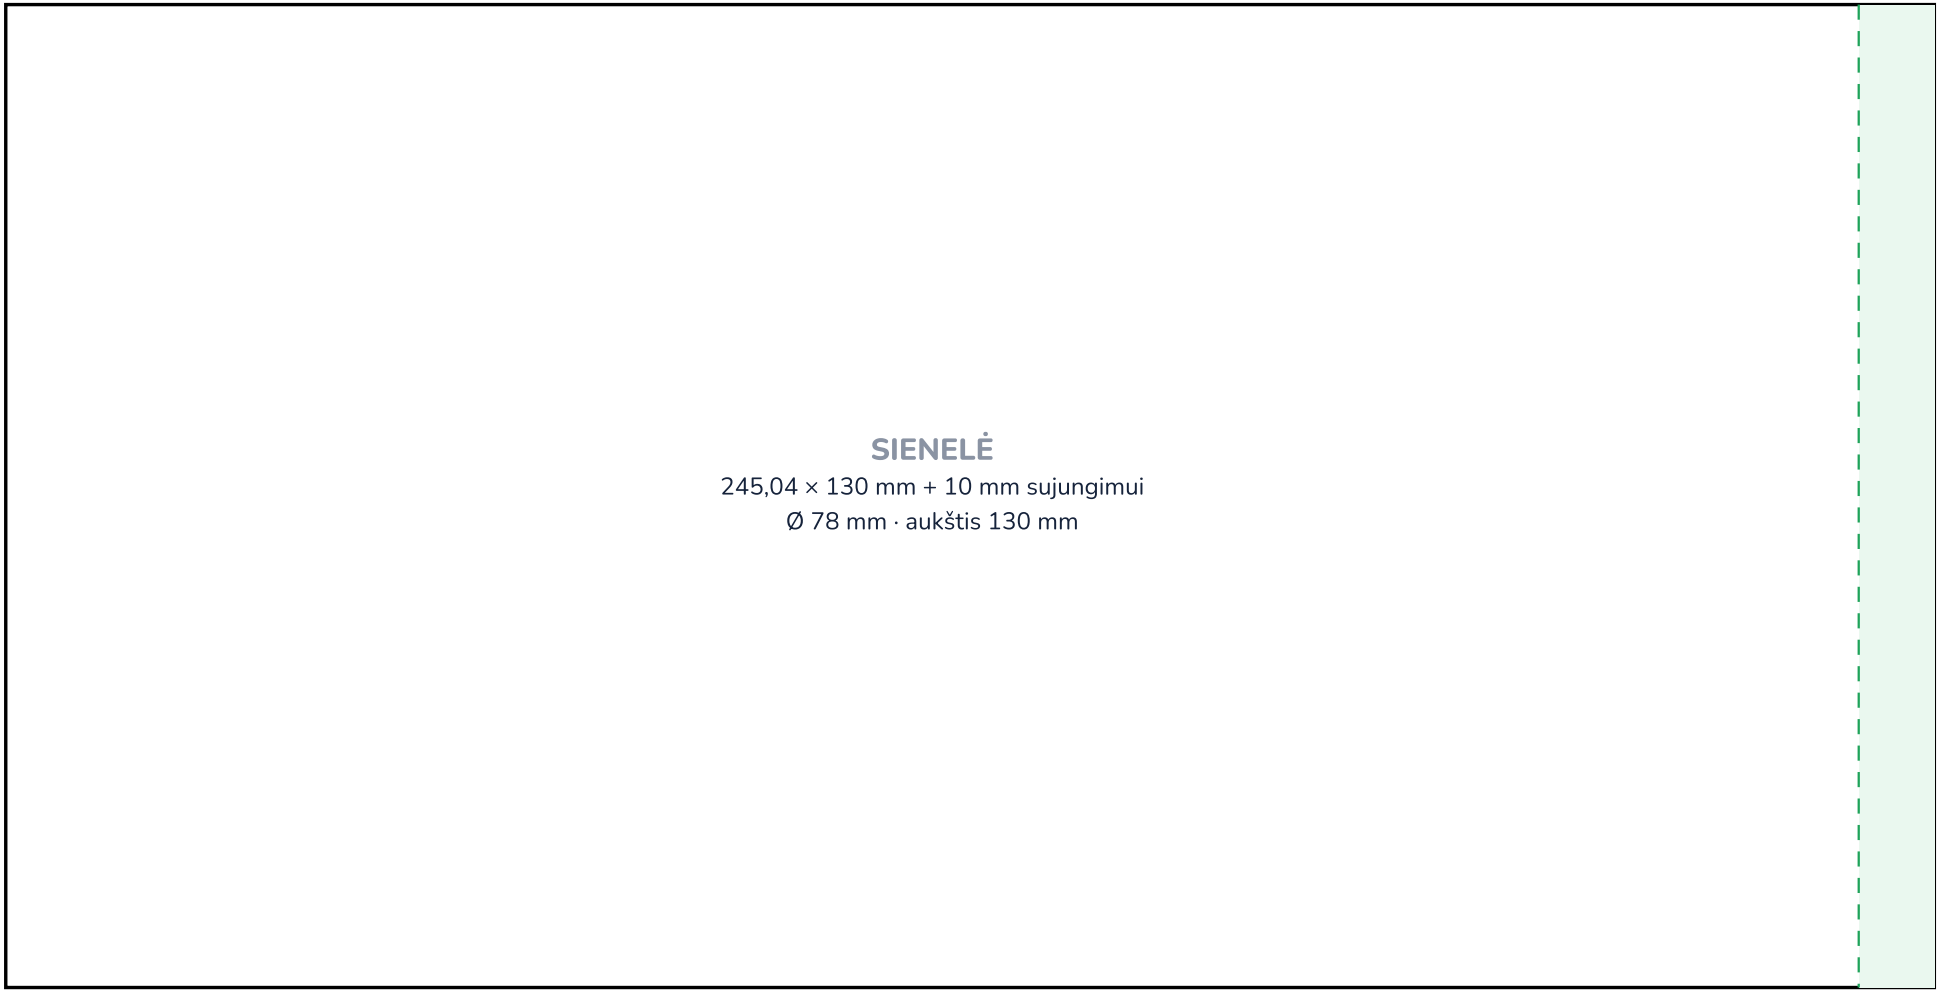

3. Score the join, curl the wall and attach; smooth the seam.

4. Set the wall onto the bottom; attach the handle when leather-hard.
